

NOTICE INVITING TENDER

Tender No: IITBRPF/Tender/03/25-26

Professor-In-Charge, IITB Research Park Foundation, 11th Floor, Research Park Building, IIT Bombay campus, Powai, Mumbai - 400076 on behalf of IIT Bombay Research Park Foundation (IITBRPF), invites tenders from eligible contractors for the “Execution, Supply, Installation, and Commissioning of a 57 KLD Effluent Treatment Plant (ETP) at IIT Bombay Research Park.

This ETP is a critical infrastructure project designed to treat effluent generated from laboratory operations within the Research Park building, ensuring compliance with Pollution Control Board (PCB) standards and IITBRPF’s commitment to environmental sustainability. The ETP design has been finalized, and this tender focuses on its implementation and execution.

Interested bidders can download necessary information and required documents from the IIT Bombay Research Park website (<https://iitbresearchpark.com/>) from 4-9-2025 to 3-10-2025. Tender documents completed in all respects should be submitted by 3-10-2025.

Prof. Vikram Vishal
Professor-In-Charge (PIC),
